BREAKOUT SESSIONS

I. PROVIDING SEXUAL HEALTH SERVICES FOR YOUNG MSM FROM COMMUNITIES OF COLOR

Jeffrey Birnbaum MD MPH, Associate Professor, SUNY Downstate Medical Center; Executive Director, Health and Education Alternatives for Teens (HEAT)

This session will focus on a provider approach to working with and addressing the specific health care needs of Young MSM/Gay Youth including: consent and confidentiality of minors, HIV testing and care, and working with youth from the house ball community.

Room 803, 8th Fl.

II. ANAL HEALTH 101

Jeffrey Huyett MS APRN, Nurse Practitioner

This session will focus on how to provide routine anal health care to MSM patients including: provider attitudes, sexual history-taking and anal health, and assessment of self-care behaviors.

Room 804/805,
8th Fl.

III. MSM HEALTH ACROSS THE LIFESPAN

Mark Brennan-Ing PhD, Director for Research and Evaluation, AIDS Community Research Initiative of America (ACRIA)

This session will focus on issues facing older sexual minority men and how to better serve this population including: sexuality and relationships, sexual dysfunction, mental health and substance use.

Room 808, 8th Fl.

IV. MENTAL HEALTH AND SUBSTANCE USE

Milton Wainberg MD, Medical Director, Columbia University HIV Mental Health Training Project of the NY/NJ AIDS Education and Training Center

This session will focus on mental health issues among MSM including a review of basic screening questionnaires and treatment options.

2:00 – 2:15pm
